Leadership Experience

Youth Group Leader

(August 2011-February 2016)

Miami, Florida

- Oversee and organized more than 50 people at a time to attend meetings, state events, and sometimes practices. Sorted out members transportation to maximize attendance.
- Built and kept relationships with members to create a friendly and safe environment, as well as keep members coming back.
- Worked with other leaders all over the state of Florida to organize events and create a fun and compelling experience.

Work Experience

Finish Line, Inc. *Sales Associate*

(May 2015- February 2016)

Miami, Florida

- Built relationships with customers to improve shopping experience and have had them come back looking for me to help them when they have more purchasing needs.
- Embraced team work to improve the store environment and increase the stores performance as a whole.
- Utilized different types of products to help solve customers' needs and achieve a great user experience.
- Efficiently adapted to store's storage system in order to minimize time away from customer and increase engagement.
- Strong sense of what product a customer needed when they don't know what they're looking for.
- Learned about the technology of the product in order to better explain to the customer why certain products were best for their needs.
